Hi Dante and Dave,

Attached are two documents, a word document draft of the Proposed Plan and a PDF document of figure examples.

I look forward to hearing your comments and thoughts on the Proposed Plan draft, and your ideas on possible figures, as well as inset boxes mentioned in the text.

Dante, your experience with Superfund sites and development of Proposed Plans will particularly be helpful from a standpoint of Plans you believe to be most likely well received and approved.

As discussed previously your comments, thoughts, and edits are anticipated by August 15<sup>th</sup>.

Enjoy the light reading!

Jeryl
